MOST Fundraiser Breaks Record

TAP into the MOST Raises Record-Breaking Funds

SYRACUSE, NY (April 16, 2018) - The Milton J. Rubenstein Museum of Science & Technology (MOST) broke records with this year's TAP into the MOST fundraiser, its largest of the year.

The Museum sold out of tickets on the morning of Friday, April 13, with 1,200 attendees and net proceeds of over \$100,000 - the largest amount raised in the event's 14-year history.

"We are beyond grateful to all sponsors, donors, vendors, volunteers and attendees of this year's TAP into the MOST event," said Lauren Kochian, MOST

Executive Vice President. "It was a wonderful night of raising funds and awareness for science education in our community. So many people are essential to making this event a success, and we are grateful for the community's continued support."

About the MOST

The Milton J. Rubenstein Museum of Science & Technology (MOST) is a hands-on science and technology museum for all ages. The MOST hosts numerous STEM education programs and community outreach events annually and is home to 35,000 square feet of interactive permanent and traveling exhibits, Silverman Planetarium, and Bristol IMAX® Omnitheater - the only domed IMAX theater in New York State. The MOST's vision is to be a preeminent science and technology center, inspiring all generations through hands-on education and entertainment.

The MOST is regularly open 10 a.m. to 5 p.m. Wednesdays through Sundays. The Museum is open on Mondays and Tuesdays for holidays and local school breaks. For hours and pricing, visit most.org or call 315.425.9068.
