MOST Announces Holiday Auction

SYRACUSE, NY (Nov. 14, 2018) – The Milton J. Rubenstein Museum of Science & Technology (MOST) is pleased to announce a **Holiday Auction** to support the Museum's STEM educational programming, slated for Thursday, Nov. 29, from 5:30 to 8 p.m. at the MOST!

Along with a live auction of original local Impressionist paintings conducted by Terri Peters & Associates Auction, Estate and Real Estate Marketing, the evening will include complimentary light hors d'oeuvres and beverages, as well as an opportunity to support the Museum through the MOST Giving Tree. The Tree will give donors the chance to help the MOST acquire items from our Wishlist, so children can continue to discover, learn and play.

The event is free with a suggested \$10 donation to the MOST, and open to guests ages 21 and older.

The Holiday Auction will begin with an Auction Preview from 5:30 to 6:30 p.m.

- Enjoy complimentary beverages and light hors d'oeuvres in the Bristol Omnitheater lobby while perusing the collection of Impressionist paintings by local artists. Special thanks to Bristol-Myers Squibb for kindly donating this collection to the MOST.
- Help sustain the Museum's mission of bringing STEM educational programming to children across Central New York by sponsoring an item from the MOST Giving Tree.
- Holiday gifts will also be on sale, including memberships and items from the MOST's Science Shop.

The Live Art Auction runs from 6:30 to 8 p.m.

- Take part in the live art auction, conducted by Terri Peters & Associates Auction and Estate Marketing. The collection of 15 local Impressionist paintings will be individually auctioned in the Bristol Omnitheater. Participants are invited to bid in person or by phone, or online prior to the event by absentee bid.

View the full photo catalogue of auction items online at most.org. Bidders are invited to participate by submitting an absentee bid on our website prior to the event. All absentee bids must be cast by Wednesday, Nov. 28.

Seating for the Holiday Auction is limited and reserved. RSVP by Tuesday, Nov. 27, to Marketing & Development Coordinator Lorna Oppedisano via email at loppedisano@most.org or by calling (315) 425-9068 x2123.

About the MOST

The Milton J. Rubenstein Museum of Science & Technology (MOST) is a hands-on science and technology museum for all ages. The MOST hosts numerous STEM education programs and community outreach events annually and is home to 35,000 square feet of interactive permanent and traveling exhibits, Silverman Planetarium, and Bristol IMAX® Omnitheater - the only domed IMAX theater in New York State. The MOST's vision is to be a preeminent science and technology center, inspiring all generations through hands-on education and entertainment.

The MOST is regularly open 10 a.m. to 5 p.m. Wednesdays through Sundays. The Museum is open on Mondays and Tuesdays for local school Winter Recess, Midwinter Break and Spring Break. For hours and pricing, visit most.org or call 315.425.9068.

About the artists

The art collection donated by [Bristol-Myers Squibb](#) includes works from local artists Hall Groat Sr., Hall Groat II, Robert W. Daley, John De Tore and Carl Wenzel.
