New IMAX Documentary *Superpower Dogs* Opens

SYRACUSE, NY (April 8, 2019) – The latest IMAX® documentary from IMAX entertainment, Cosmic Picture and presenting sponsor Mars Petcare, **Superpower Dogs**, will open on **Thursday, April 11** leading into the local Spring Break week in the Milton J. Rubenstein Museum of Science & Technology's (MOST) Bristol IMAX Omnitheater, the only domed IMAX theater in New York State. The film is scheduled to play at 12 and 2 p.m. every Wednesday through Sunday throughout the month of April.

Superpower Dogs takes audiences on an immersive IMAX adventure to experience the life-saving superpowers and extraordinary bravery of some of the world's most amazing dogs. The film is narrated by Chris Evans (*Captain America: The First Avenger*, *Gifted*).

Superpower Dogs follows six real-life working dogs from around the world as well as their human partners as they brave earthquakes and avalanches, protect endangered species such as rhinos and elephants and transform the lives of people with special needs.

Audiences will discover the amazing abilities of different breeds and the astonishing science behind their superpowers. We will never look at our best friends the same way again! Meet the stars of **Superpower Dogs**:

- 'Halo', a rookie puppy training to join one of the most elite disaster response teams in America;
- 'Henry', an avalanche rescue expert saving lives in the mountains of British Columbia;
- 'Reef', a Newfoundland lifeguard in the Italian Coast Guard;
- 'Ricochet', a surf and therapy legend in California who heals people with special needs;
- 'Tipper and Tony', Bloodhound brothers leading the fight to save endangered species in Africa.

Superpower Dogs was filmed using IMAX® cameras and mixed in immersive IMAX 12.0 channel sound. With the clearest picture on the largest screens and immersive, heart-pounding audio, The IMAX Experience® will put audiences in the heart of the action and highlight the profound connection people have with dogs.

Superpower Dogs is a family-friendly film and has a run time of 46 minutes. For more information, please visit www.superpowerdogs.com and follow @SuperpowerDogs.

For a complete schedule of showings in the MOST's Bristol IMAX Omnitheater, visit <https://www.most.org/watch/showtimes/>.

About the MOST

The Milton J. Rubenstein Museum of Science & Technology (MOST) is a hands-on science and technology museum for all ages. The MOST hosts numerous STEM education programs and community outreach events annually and is home to 35,000 square feet of interactive permanent and traveling exhibits, Silverman Planetarium, and Bristol IMAX® Omnitheater - the only domed IMAX theater in New York State. The MOST's vision is to be a preeminent science and technology center, inspiring all generations through hands-on education and entertainment.

The MOST is regularly open 10 a.m. to 5 p.m. Wednesdays through Sundays. The Museum is open on Mondays and Tuesdays for local school Winter Recess, Midwinter Break and Spring Break. For hours and pricing, visit most.org or call 315.425.9068.
